## Please note...

- The program may still change. Please view or download the latest copy from our congress website: <https://saopa1.wixsite.com/saopa2022>
- The program is CPD accredited for 16 CEU's (of which 5 are Ethics points). Delegates must confirm attendance as per the register arrangements that will be communicated at the event to qualify for the CEU's.
- Please respect our presenters and return to the plenary venue in a timely manner after breaks to allow the program to resume on time and without disruption to fellow delegates and speakers.
